Sir,

Subject -Entertainment of a lorry driver to the Municipal Sewage Farm

I have the honour to state that complaints were being received from purchasers of sewage farm grass in the several mohallas, that they were not receiving their supply regularly and in time etd The sewage farm Sub committee who examined the case were of opinion that it was mostly due to the employment of Bullock carts which meant waste of much labour and time etc They recommended therefore that a lorry may be supplied to the Sewage Farm to facilitate prompt supply of grass replacing the carts Accordingly a municipal lorry was placed at the disposal of the sewage farm and commenced to work from January 1947 With a view to incur the least expenditure in this behalf it was suggested that the Mechanic of the Sewage Farm whose appointment as such was being sanctioned from time to time since 1945 in Government Order Nos L 14812-13/ml 11-45-118 dated 29-6-46, L 7102-3/ml 11-46-45 dated 16-11-46 and L 8465-6/ml 11-46-84 dated 7th December 1946, be appointed as a lorry driver and an allowance given to the work connected with pumps etc ,as he could attend to the electric pumps in the morning and supply of grass by lorry in the afternoons

The Managing committee who examined the proposal at their meeting held on 14-2-1947 recommended that the present Mechanic one Khalandar Hussain may be appointed as a lorry driver on Rs 30/- of the new lorry given to the sewage farm, as some other lorry drivers of the Municipality, and the present work of the Medhanic of the sewage farm be also entrusted to him in addition and an allowance of Rs 5/- given therefor The council also have duly sanctioned the above proposal of the Managing committee at their

meeting held on 27-2-1947

In enclosing copy of the above resolution, I request you kindly to obtain sanction of Government to the above post and to the employment from 1st January 1947 of Khalandar Hussain in the place on a salary of Rs. 30/-+5/-
